The Neighbourhood Watch Scheme has a supply of the bottles and would be pleased for any resident to contact them concerning the scheme.

**14. Planning Applications**

**09/05221/CTREE:** Appletrees, Meadle Village Road, Meadle. Reduce crowns by 3-4m to Silver Birch Trees. **Application withdrawn.**

**09/05046/FUL:** The Old Forge, Thame Road, Longwick. Construction of first floor extension and detached double garage. **Permission Refused.**

B/ New Applications to be considered

**08/07786/FUL** Horsenden Manor Horsenden Lane Princes Risborough: Amendment to original application. Erection of a detached four bay garage with separate room above. **The Parish Council has no objections.**

**09/05401/MDS10609/03/2009** Maplefield Owlswick Lane Owlswick. Application to discharge a S106 agreement relating to the use of a building as a single family dwelling. **The Parish Council has no objections.**

**09/05170/FUL29/01/2009** Land at Corner of Lower Icknield Way and Mill Lane Monks Risborough Buckinghamshire Construction of 4 x timber stables and tack room, feed box and hay store. **The Parish Council recommend that the application is refused for the following reasons: - The construction of 4 x timber stables and tack room, feed box and hay store is an over development of the site and is considered to be too many stables for the amount of land available. The Parish Council is concerned that the stables will be used for Commercial use which is effectively seeking the change of use of the land. The additional stables erode the openness of the countryside and are detrimental to the open character and appearance of this part of the countryside. If the application is likely to be approved, The Parish Council would like the application to be referred to the Development Control Committee to be determined and a restriction preventing Commercial use and lighting to be attached to the permission.**

**08/06150/FUL06/05/2008** Apple Tree Cottage Thame Road Longwick. Amendment to original application for the demolition of existing dwelling and erection of 2 link-detached dwellings with car ports attached, creation of new access and parking area. **The Parish Council has no observations on this application.**
