22/07563/FUL	Maccabee Kennels Bar Lane Owlswick	Mr Steve Kerry - Rectory Homes	19/11/2022	Demolition of existing buildings and structures and erection of 6 x two-storey residential dwellings with access off Bar Lane, including parking and garaging, landscaping and all enabling and ancillary works	The Parish Council have no objection to the proposed housing and cessation of the site as dog boarding kennels. However, there are serious concerns over the highway safety of pedestrians using Bar Lane, this road is not lit, is subject to national speed limit of 60mph (although we note ATCs show differently but that does not preclude that someone could legally do 60mph down that road), is not easily passable with 2 cars in the location of this site, has no pavement and does not have any safe areas of refuge for pedestrians. The comment made in the planning application relating to the allotments adjacent state that they will be frequented by pedestrians and cyclists is not correct, the majority are leased by residents in Princes Risborough and so drive to this site. The development should be restricted to the previously developed land and not sprawled across grass/dog paddock areas. It seems the definition of previously developed land is being elongated in this situation. It is noted that some land is retained by the land owner and is not included in the red line planning application boundary and it is extremely important	18/11/2022

22/08235/PNP16A	Land Opposite Green Space Chestnut Way	Gallivan - CK Hutchison Networks (UK) Ltd	08/01/2023	Prior notification (Part 16, Class A) for proposed 5G telecoms installation: H3G 15m phase 9 street pole and additional equipment cabinets	Longwick cum Ilmer Parish Council object to this application for the following reason: 1. Located in a prominent location adjacent to the A4129 Thame Road, in close proximity to residential areas. The mast would be located in an open area of grass verge with no screening, the mast would be a dominant street furniture in an area that is void of street furniture. Longwick does not have street lights so the addition of a mast is incompatible with Longwick. 2. No clear evidence to suggest there is a significant gap in coverage in this area. Why has this particular location been reviewed?	21/12/2022
