However, there are serious concerns over the highway safety of pedestrians using Bar Lane, this road is not lit, is subject to national speed limit of 60mph (although we note ATCs show differently but that does not preclude that someone could legally do 60mph down that road), is not easily passable with 2 cars in the location of this site, has no pavement and does not have any safe areas of refuge for pedestrians. This is relevant to this site too. 	27/03/2023
