The courts decided in favour of residents with noise abatement notice and it seems the situation has improved. A planning application has been submitted for the site with the current owners believed to be relocating.

 - d. Over £300k has been given through the Community Boards over the last 4 years and we encourage local groups and organisations to apply.
 - e. Highways: Bar Lane was damaged during resurfacing and we are continuing to ensure it is put back.
 - f. The Lower Icknield Way from the bridge to Oxfordshire is being repaired overnight. The current patchwork will be covered in a chipping / tarmac surface.

5. **OPEN FORUM – RESIDENTS RAISED THE FOLLOWING QUESTIONS / CONCERNS:**
 - a. Concerned that the newsletter has ceased and understands that there are residents within the Parish who are willing to take on the job. It was suggested that the group who would like to take on the newsletter apply to the Parish Council for a grant.
 - b. Concerned about the relationship between the Village Hall and Parish Council specifically the charging for the use of the playing field for the fete.
 - c. Average Speed Cameras – the information has been received from Thames Valley Police however, other villages have them and stated that they are disappointed that there is no drive from Thames Valley Police.
 - d. Community Speedwatch – residents asked about the group and requested data be shared.
 - e. Transport Initiative: When can we expect to see some progress. Buckinghamshire Councillors stated that they would expect costings to be supplied to the Parish Council by the end of Summer.
