The school bus from Meadle – (route is Ilmer, Longwick, Owlswick, Meadle, Kimble, Marsh, Bishopstone, all Aylesbury Grammar Schools) seems to falling between the cracks.

We have had letter from Bucks County Council saying that they will no longer offer tickets on this bus because it is operated as a local public bus service, rather than a dedicated school bus. Z&S Transport operate the bus. They say that it is not a public bus route. It is not advertised anywhere on Z&S Transport's web pages or on [www.travelinessouth-east.org.uk](http://www.travelinessouth-east.org.uk) (where the council say local bus services are listed). It only runs to and from the school in term time and is clearly a dedicated school bus. I have spoken to Amey Client Transport but they are adamant that it is a public bus route.

I understand that due to the tightening of the rules regarding which school bus journeys the council will provide a free bus journey they will have no free bus places on this route. I don't mind paying the bus company directly. But if the council wash their hands of this route then no-one will know it exists and it will become financially unviable for the bus company to run it. New parents will not know it exists and all parents in the villages it serves will be forced to drive into Aylesbury – against the council's own stated aims of discouraging parents to drive their children to school due to the road congestion this creates.

Amey Client Transport have just written to us a second time saying the Meadle route is local public bus service. Their website is still showing the route and saying that they accept paid for applications on the route which doesn't tie in with their letter.

Can you raise this with the parish council as I am worried about losing our school bus?

REF: USE OF LONGWICK VILLAGE HALL AND PLAYING FIELD.

For many years we have held very successful concerts at Longwick Village Hall at this time of year. We require access to the field for parking and the Village Hall from 6.30pm to 10.30 pm each evening.

Dear Local Area Forum members,

As you know, the Local Area Forum will begin to discuss possible projects and activities to support in 2017/18 during the autumn round of meetings.

We are keen to support LAFs to make the best use of the available funding, and to provide LAF members with sufficient information and time to consider the options available.

### **Transport Related Schemes**

For schemes to be delivered by TfB, we need all proposals to be submitted by **31 August 2016**. This will enable us to ensure their suitability and then for TfB to have time to fully cost all schemes, and also to work with each relevant local council to clarify full scheme costs and to ensure that proposals given to LAFs are precisely those desired by the town or parish council.

This year, all TfB related proposals will need to be submitted using the TfB schemes application form, which is available here, at the bottom of the page: <http://www.buckscc.gov.uk/community/local-areas/area-plans-and-local-working/local-area-plans/funding/> . Please ensure that you complete the form as fully as you can; do contact us if you have any queries.

A minimum 50% match funding contribution from a source other than the County Council is required for the following types of schemes, which are not a priority for the County Council's transport budget:

- Traffic calming schemes, including permanent and mobile Vehicle Access Signs
- Parking schemes

### **Non-TfB Schemes**

A separate form is provided on the same page for non-TfB schemes. Non-TfB schemes need to be submitted by **Monday 14 November**.

Please remember that local area budget projects must address a local area priority and a County Council priority. Do contact us with any thoughts or suggestions before filling a form in, to check what plans may already be in place for your area.

I have also attached for your information and help the most recent guide to funding for Buckinghamshire organisations.

Finally, please send all messages, replies and forms to us via [localities@buckscc.gov.uk](mailto:localities@buckscc.gov.uk) to ensure the quickest response,

Kind regards,

Paul
